Cosmetic Injectables

Anti-Wrinkle Injections

Our #1 treatment! Cosmetic injectables work by relaxing facial muscles that cause wrinkles and lines leaving smoother, younger, rejuvenated skin.

Complimentary Consultation	FREE
Forehead	from \$99
Crow's Feet	from \$198
Frown Lines	from \$198

Advanced Areas (*Gummy Smile, Masseters, Excessive Sweating, Bunny Lines etc.*) POA

Dermal Filler Injections

Be the best version of you! Dermal fillers use hyaluronic acid (a naturally occurring polymer in the body) to effectively restore facial volume loss giving you a natural, youthful appearance. We stock an extensive range of dermal filler options.

Fillers range in price for treatment of lips, cheeks, nasolabial folds, tear troughs and more. from \$399

Platelet Rich Plasma – PRP

A natural treatment which uses your own blood plasma, rich with skin reviving proteins, for volumetric corrections, collagen production and wrinkle smoothing. PRP improves skin laxity and texture.

Vial	\$299
Extra vial	\$159

Hair Restoration Package

Using Regen PRP, the world leading blood method system, we treat certain types of alopecia and general hair thinning. Your comprehensive treatment package is tailored to your specific needs and includes elite in clinic treatments combined with at home care.

Hair Restoration package from \$299

Advanced Skin Needling

Skin needling is used for Collagen Induction Therapy (CIT) and Scar Reduction Therapy (SRT) by enhancing blood supply and initiating growth factors to increase collagen renewal and tissue regeneration responses.

Face	\$289
Face & Neck	\$349
Add PRP	\$159
Add Vitamin Infusion	from \$99

Mesotherapy

Europe's most popular non-surgical anti-ageing treatment where highly potent vitamin compounds are administered to the subcutaneous fat layers of the skin. This treatment can be tailored to target stubborn fat and induce collagen production for a vitamin skin boost providing overall improvement in skin tone, texture and health
